ENGL415	Editing & Proofreading: English	3	Editing & Proofreading: English
FREN375	Upper French: B1-2	3	45 hours of French DELF B1. A ce niveau, l'apprenant devient indépendant. Il est maintenant capable de poursuivre une interaction: il peut comprendre et poursuivre une discussion, donner son avis et son opinion. Il est capable de se débrouiller dans des situations imprévues de la vie quotidienne.
FREN315	Intermediate French: A2-3	3	45 hours of French introduction to DELF B1. Les apprenants clôturent le dernier niveau du A2 et s'approprient à passer au B1. Les activités proposées offrent aux étudiants de nombreuses opportunités d'interagir d'une manière authentique avec leur milieu et de devenir des locuteurs autonomes.
FREN365	Upper French: B1-1	3	45 hours of French DELF B1. L'apprentissage du B1.1 s'approfondit, que ce soit au niveau de la syntaxe, grammaire ou vocabulaire.
FREN415	Upper French: B1-3 + DELF B1	3	45 hours of revision for DELF B1: Les apprenants devenus prêts pour passer les épreuves du DELF B1, ils seront sujets à l'examen DELF B1, dont la note sera retenue pour le prochain cours du FREN485.
FREN485	Upper French: B2- FLE	3	45 hours of DELFB2: Les apprenants ayant acquis un niveau B1. Ce cours vise l'acquisition des compétences orales et écrites afin de se préparer ultérieurement aux épreuves de D.E.LF.B2.
FREN301	Intermediate French: A2-2	3	45 hours of French DELF A2. Les étudiants apprennent à mieux développer les compétences acquises en FREN151 pour devenir des locuteurs indépendants, autonomes, capables à interagir dans un milieu francophone.
ENGL305	Technical Writing: English	3	Technical Writing: English
General Education Requirements			
Code	Title	Credits	Description
ENGL251	Communication Skills	3	The objectives of this course are to improve students' writing skills for academic purposes by developing effective use of grammatical structures; analytical and critical reading skills; a sensitivity to rhetorical situation, style, and level of diction in academic reading and writing; and competence in using various methods of organization used in formal writing.
ENGL201	Composition and Research Skills	3	This course focuses on the development of writing skills appropriate to specific academic and professional purposes; the analysis and practice of various methods of organization and rhetorical patterns used in formal expository and persuasive writing; the refinement of critical reading strategies and library research techniques; and the completion of an academically acceptable library research paper. Prerequisites: ENGL150, ENGL151.
CULT200	Introduction to Arab - Islamic Civilization	3	The purpose of this course is to acquaint students with the history and achievements of the Islamic civilization. Themes will include patterns of the political and spiritual leadership; cultural, artistic, and intellectual accomplishments Prerequisites: ENGL051, ENGL101, ENGL151.
CSCI200	Introduction to Computers	3	The course aims at making students competent in computer-related skills. It is supposed to develop basic computer knowledge by providing an overview of the computer hardware and basic components as well as hands-on practice on common software applications such as Word, Excel, Power Point, Internet and Email. The student will learn how to use the new features of Microsoft Office 2010 mainly Word documents, Excel spreadsheets and PowerPoint presentations. On the surface, MS Office 2010 looks a lot different than previous versions (no more menus or toolbars!), but by learning to understand the dramatically changed, Ribbon-based interface, you'll quickly get back on the road to productivity.
ARAB200	Arabic Language and Literature	3	This course is a comprehensive review of Arabic Grammar, Syntax, major literature and poetry styles, formal and business letters.
